Deponent then spoke to jane doe, who refused to give her true name, tenant of record in apartment number 2b who also alleged that the witness is unknown at the address furnished by the attorney. I then called the Superintendent at (718) 974-3655 and found he was not sure if the witness resides at the address furnished by the attorney. The superintendent then came over to the service address and allowed be entry into the service address and told me to inquire about the witness at apartment number 2C. Deponent then inquired with the tenant in 2C about the witness and found the witness was unknown to her, but to inquire with the tenant in apartment number 2a who may have knowledge of the witness.
